### HON HARVEY HELM

The following is from The Anderson News, published at Lawrenceburg by Hon J. H. Paxton.

Local pride in politics, as in everything else is "a good thing" and should be "pushed along." It is the custom in many counties of Kentucky to see that the "home man" gets a big vote in his county, no matter what his politics are. The News hopes that amid the stirring times in politics, local and national, the people of Anderson will not forget that they have just the same as a "home man" running for Congress—a man who treats Anderson like it was his home county, and towards whom many of the best people of Anderson feel as if he were a "home boy." Congressman Harvey Helm, the nominee of his party for re-election, has in many ways already demonstrated his devotion to the interests of Anderson county and even if the whole people of this county were not vitally interested in his re-election, they would still owe him a debt of gratitude as would demand of them a loyal and disinterested support in the election that will come off Nov. 3rd. The story of his labors and success in obtaining a site for a government building in the capital of Anderson, after all others had failed therein for twenty years, will never be fully told or fully understood except by the few who knew what he went through single handed and alone in Washington last winter. Added to this and what he has done in the short time he has been in Congress, for a half thousand poor pensioners and claimants of Anderson county is the fact that this county was picked by him out of the 10 that he represents, in which to give one of the only two places he had in Naval Academy at Annapolis, and in Anderson, he has already promised an appointment which he will have at West Point next year. The News happens to know that no county in the 10 represented by Mr. Helm, not even excepting Lincoln, has had from him or owes to him one half of what Anderson does. Even if it were not essential to the completion of the government building here that Mr. Helm be returned to Congress, it will still be a matter of regret and almost humiliation, were not the good people of Anderson to turn out on election day and see to it that he receives the compliment of the biggest majority of any candidate of any party voted for in this county on that day.

The News is a democrat and a partisan. It does not ask its republican friends to vote against their convictions in the National election, but it does believe that home pride in remembering those who remember us should be shown in the only way it can be in this election—in a rousing big vote for Harvey Helm.

The Interior Journal in a recent issue tried to show what a humiliating, black page would be written in the democratic record were any factional feeling of revenge or other unworthy sentiment among democrats to result in Kentucky's contribution to, or becoming remotely responsible for the defeat of the peerless leader in this glorious year of democratic hope. Everything we then said about the National ticket was meant to apply to the vote for Harvey Helm, the democratic nominee for re-election to Congress. If any outside paper can call him a "home boy" and appeal for a rousing, complimentary vote for him, surely the Interior Journal and the democratic voters in Lincoln can find no reasonable excuse for not rising and uttering a sincere and even fervent "Amen."

And added to the solid phalanx of Lincoln county democrats who should, and we believe will, support Mr. Helm on Nov. 3rd, are hundreds of other home people who know that his name

and family have long been synonymous with good citizenship; many of whom have felt his friendship in substantial ways; not a few of whom know what he has done in the short time he has been in Congress; that know of his record for industry and creditable representation of his people there; who know that he has done "good turns" irrespective of party for many poor pensioners and poorer claimants; who know that he is entitled to the endorsement which his re-election means. Surely not a few of these remembering home pride and gratitude will do what Anderson promises to do, viz: give "the home man" a rousing, complimentary vote that will reflect credit on both our home pride and intelligence.

### Money for Teachers.

I have received money for the teachers of Garrard county, and same will be paid upon application at my office. Jennie Higgins, Supt.

### Catches a "Cow."

Danville Advocate:—Mr W C Price caught with hook and line yesterday near Capt Wilson's out of Dix river, a black bass which tipped the scales at four and one half pounds.

### Preaching at Grove.

H M Samsler will fill his regular appointment next Sunday morning at Pleasant Grove, his subject "John the Taborer," and in the evening, "Shall the people rule?" or a study of the Temperance Problem.

### Good Meeting.

The Farmers Institute, held in this city last Friday and Saturday, was well attended. The program, as published in last issue of The Record was carried out, and the addresses delivered were of great benefit to the farmers. This organization is growing rapidly, and if all will take active interest, will result in unmeasurable good.

### Improvements.

Lancaster, with her excellent school and other advantages is enjoying a steady growth. Mr R T Embury, is building a handsome residence on Hill street, and H C Hamilton and G B Swinebroad talk of building cottages on Hamilton avenue, for rent. A long concrete pavement is being built by the Ridders property on Water street, and one may be built from Lexington street to the Tindler property where lots will be sold; and everything shows prosperous conditions.

### A Tribute to the Old Derby.

Springfield Sun:—Whatever of abuse you have for the negro race heap it upon the young bucks who have been born since "way back yander in slave time," throw your lash under the great, big able-bodied coon who refused to go into the harvest field this summer and help to save a perishing wheat crop, but speak gently of old black daddy and the old black mammy who "lured de little chillun in de days befo' de war dis lak de angels lub de stars." There are no truer hearts than these. They are passing down to the Valley and up to the skies, where, with a "God bless de Lawd," they embrace the spirit forms of "ole Massey and ole Missus."

### Let Him Move On.

Occasionally one will hear the remark, "I wish I was out of this town," and then one feels like saying "I wish you were" for a man who stands on the street corners chewing and spitting, telling obscene stories, cursing the town, finding fault with his grandmother because she was a woman, claiming the merchants are a lot of thieves, that the lawyers and newspaper men would skin a man to a finish, and a whole lot more, is a nuisance and an abomination. Anyone pestered with one or more such worthies would be justified in exercising cowhide authority on the bosom of their pants. No one is obliged to live where he is not suited. If one hasn't an encouraging word for the business enterprise and institutions of his town he should shut up and "go way back and sit down" to where they will. A growler and sore head in a town is an enterprise killer every time. It would pay a town to donate him \$5. and tell him to move on.

### Would Mortgage the Farm.

A farmer on Rural Route 2, Empire Ga., W A Floyd by name, says: "Hucklebarn Arnie Salve cured the two worst sores I ever saw: one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c. at McRoberts drug store.

## A FINE MEETING.

Large Congregations Attending Meeting at Christian Church, Splendid Sermons and Fine Music.

The protracted meetings, which began at the local Christian church last Sunday morning, are being largely attended, the services to evening being long many from all denominations. The sermons by Rev. Mr. L E Sellers are both eloquent and full of sound reasoning, and are having telling effect. The solos by Miss Hanna are greatly enjoyed and add great interest to the services. Miss Hanna made many friends while here in similar work recently, and all were delighted when she was re-engaged. She is not only a vocalist of rare ability, but a most charming and lovable young lady. The public is cordially invited to attend the services, and a most cordial welcome is extended to all.

### Senator Paynter Speaks

U. S. Senator Paynter addressed a large audience at the court house yesterday. He handled the republicans without gloves, and his speech will be of great help to the democratic party in Garrard county.

### Big Sale of Lots

Read ad in this issue of sale of lots in Danville. The town is growing rapidly, and we know of no investment that would bring better returns than that of buying and building there.

### The Mason Hotel

### Make Good Report.

Rev A K Wright, of Washington sent the Baptist World: "I just returned from Lancaster, Ky., where I assisted Bro O P Bush in a meeting. The interest continued to increase until last night when the largest crowd in the history of the church gathered and nine came forward to confess the Saviour. All denominations heartily cooperated and gave encouragement to the meeting. There were 15 for Baptism and 3 by letter; total 18 Prof H C Willette, of Paris, Ky., was with us and used his cornet with great power. His 25 years' experience playing Gospel songs, enables him to be a source of much strength in a meeting. Bro Bush though he has been on the field only a few months, has strongly entrenched himself in the hearts of his members as having won the esteem of the entire town.

Prof Willett has participated in eight meetings since June 25, at which 162 converts were added to the church. Prof Willett goes to-morrow to Fork of Dix River Church, the oldest Baptist congregation in the State to take part in a revival.

### Democratic Campaigning.

At a meeting of the Democratic Campaign Committee, held in Lancaster, the following proceedings were had: Present H T Logan, chairman. W H Mason was elected secretary and treasurer. Committees were appointed to raise funds to defray expenses, and to urge the vote to come out. The following appointments for speaking were made:

Hon W P Thorne, Lancaster, Tuesday Oct 20, at 1 p m. Hon R H Tomlinson and Harvey Helm, Lancaster, Monday Oct 20, 1 p m. Bryantsville Tuesday at 2 p m. Hickman Tuesday at 7 p m. Paint Lick Wednesday at 2 p m. Hon J I Hamilton, Union Oct 24, at 7 p m. Hon W I Williams, Bryantsville, Oct. 24, 2:30 p m. Hon W B Mason, Sycamore school house, Oct 24, 7 p m. Hon R H Tomlinson, Herring's school house, Oct 24, 7 p m. Hon Joe E Robinson, Paint Lick, Oct 24, 7 p m.

### To The Democrats of Garrard County.

Your county committee has called a primary election to be held on the 28th day of November 1908, for the purpose of selecting a candidate for County Clerk and to you I submit my claim for nomination for said office. Every citizen of Garrard county is interested in having said office faithfully administered and I submit to you my past record in administering the office in said office as evidence. Should you again honor me with the nomination for said office and should I be elected you can rest assured that your interest will be faithfully and honestly looked after, as they have been by me in the past. If elected my son Alex Doty, Jr will be my deputy. Thanking you for your support in the past, and that you will again see your way clear to support me in the coming primary. Yours Respectfully J A Doty.

### To The Voters

To the Democratic voters of Magisterial District No 1, Garrard County Kentucky:

I am and have been for some time past, a candidate for the office of Justice of the Peace for said district. I was a candidate before the recent meeting of the Committee and believe under the party law that said Committee had no right to make a nomination for any office prior to November 1st. The party law reads as follows: "Said State Executive Committee or any other Committee shall not call a primary or convention for the nomination of a Democratic candidate or candidates for any office to be filled by a popular vote prior to the 1st day of November in the year next preceding the year in which the election is to be held for which said candidate is to be voted for."

I am a candidate for said office and will be until the people say that they do not want me to fill said office and I take this method of informing my friends that I am a candidate and will thank them for their support. Yours Respectfully, DAVID DUBBERMAN. This Oct 14th, 1908.

## Public Sale

— OF —  
**55 Magnificent Building Lots**  
In Growing Danville, on

**Saturday, Oct 24, '08**  
at 12:30 o'clock sharp.

"West Danville" is the name of the new sub division which is located immediately west of the Cincinnati Southern depot, where there is a tremendous demand for houses. At the present time there is a crying demand for 75 dwellings in this very neighborhood. A request was made of us this week to secure thirty dwellings by the first of November for another delegation of railroad and business people who desire to locate here.

Fine shade trees are already on these lots. "West Danville" fronts one of the most magnificent estates in the Blue Grass, and has all the good advantages of Danville, yet it is located just beyond the city limits where there is no municipal taxes. One of the best lots in the addition will be given away absolutely free; the only requirement necessary to secure a free chance is to be present on day of sale and register, and be present when the drawing comes off, immediately following the sale. As an illustration of the growth of Danville, there was an increase in registration of 175 voters this October over last October, which means an increase of practically 1000 people in a single year.

Danville is the home of Central University, Caldwell Female College, the Kentucky Institution for the Deaf, has one of the best gas plant and the best electric light plant and fine churches of every denomination. All educational advantages and every modern convenience here. The divisions of two railroads are located here.

The sale will begin promptly at 12:30.

**Saturday, October 24, '08.**

These lots will be sold on easy payments.

### WITTY SAYINGS ABOUT WOMEN.

Philosopher Recalls National Opinions.  
Some of Them Rather Tart.

The sea glittered in the sunshine,  
and looking at the multitude of wom-  
en in their splendid array, the philoso-  
pher said:

"Woman—men like to ponder her.  
You could fill a book with proverbs  
and saws about woman."

"The Greeks say love is blind, but  
marriage is clear-sighted enough, and  
they add that after three days the  
most troublesome things in the world  
are rain, a guest, and a wife."

"The Persians say, 'Always consult  
your wife, and then do as you  
please.' They say, too, 'Many wives  
are a good thing, for while they quar-  
rel you are left in peace.'"

"A German will tell you that a  
woman and a stove ought not to stir  
out of the house."

"The Indian says that you test gold  
by applying acid, the strength of a  
camel by loading it, a man's charac-  
ter by listening to him, and a woman's  
thoughts—'My Allah,' they break off,  
'it cannot be done.'"

### Mission Work in Tibet.

The Norwegian mission on the borders  
of Tibet reports five stations and 140  
members. Progress has been made in  
Bible translation both in classical  
Tibetan and into such dialects as  
Ladak, Hunan and Natchat. The  
Ladak Gazette is a monthly publica-  
tion that is scattering good seed.

### Church for Children.

A church for children under 12  
years of age has been formed at Christ  
church, Blackburn, England, to be  
opened entirely by boys, have two ser-  
vices each Sunday, and be maintained  
by monthly collections.

### Curious Daughter.

"Will you get wings when you go to  
Heaven?" asked little Elsie of her  
father, who is bald-headed.  
"Yes, dear," he replied.  
"And will they put feathers on your  
head, too, papa?" she persisted.—Ohio  
State Journal.

very happy.

dangerous—because of microbes."  
"Yes, as I teach!"  
"But we hear so much of microbes—  
where are yours?"—Ally Sloper.

### Papa's Little Joke.

bald sooner than women?  
Mr. Figg—Because they don't wear  
their hair so long. Will that satisfy  
you?—Tit-Bits.

### A Healthy Family.

"Our whole family has enjoyed good  
health since we began using Dr. King's  
New Life Pills, three years ago," says  
L. A. Bartlett, of Rural Route 1,  
Guilford, Maine. They cleanse and  
tone the system in a gentle way that  
does you good 25c. at McRoberts drug  
store.

Stomach troubles would more quick-  
ly disappear if the idea of treating the  
cause, rather than the effect, would  
come into practice. A tiny, inside,  
hidden nerve, says Dr. Shoop, governs  
and gives strength to the stomach.  
A branch also goes to the heart, and  
one to the kidneys. When these  
"inside nerves" fail, then the organs  
must falter. Dr. Shoop's Restorative  
is directed specifically to those failing  
nerves. Within 48 hours after taking  
the Restorative treatment patients  
say they realize a gain. Sold by R. E.  
McRoberts.

### To Taxpayers

State and county taxes are  
now due. The penalty goes  
on December 1st, so you had  
better settle now and save  
the cost necessarily incurred  
by delaying the matter.  
C. A. Arnold, Sheriff.

### Why Colds are Dangerous.

Because you have contracted or-  
dinary colds and recovered from them  
without treatment of any kind, do not  
for a moment imagine that colds are  
not dangerous. Everyone knows that  
pneumonia and chronic catarrh have  
their origin in a common cold. Con-  
sumption is not caused by a cold but  
the cold prepares the system for the  
reception and development of the  
germs that would not otherwise have  
found lodgement. It is the same with  
all infectious diseases. Diphtheria,  
scarlet fever, measles and whooping  
cough are much more likely to be con-  
tracted when the child has a cold.  
You will see from this that more real  
danger lurks in a cold than in any  
other of the common ailments. The  
easiest and quickest way to cure a cold  
is to take Chamberlain's Cough  
Remedy. The many remarkable cures  
effected by this preparation have made  
it a staple article of trade over a large  
part of the world. For sale by F. P.  
Frisbie. Im

### SAYS BRAIN DOES NOT FEEL.

French Professor Declares Stomach is  
Emotional Center.

The solar plexus is the emotional  
brain, says Prof. Francois Guyot. An  
emotion that attacks us is felt there  
first. Thus, if we feel anxiety it may  
give us, if severe, a positive stomach  
ache. It may even be productive of  
nausea.

While the brain does the thinking,  
Prof. Guyot opines that it does not  
feel. The cerebrum, the major part  
of the brain, is the intellectual, but  
not the emotional center. The brain  
represents the intelligence. The spinal  
cord and the cerebellum, the latter the  
little brain, not yet well understood,  
and attached to the brain proper,  
govern equilibrium and the muscles of  
the body. But the emotions are lo-  
cated in the sympathetic nervous sys-  
tem ramifying through the body. Their  
chief center is the great plexus of  
nerves which lies against the back-  
bone and embraces the stomach.

This does not think, but it feels.  
What it does not feel is not felt at  
all, apart from pure intellectual cog-  
nition, and its purely passive and sub-  
jective sensations may often be re-  
garded as warning of danger or pos-  
sible mischief.

To quickly check a cold, druggist  
are dispensing everywhere a clever  
Candy Cold Cure Tablet called Pre-  
ventics. Preventics are also fine for  
feverish children. Take preventics at  
the sneeze stage, to head off all colds.  
Box of 48—25c. R. E. McRoberts.

### Colored Y. M. C. A.

The report of the secretary of the  
Atlanta Colored Y. M. C. A. is inter-  
esting and encouraging. In 1901 the  
association had 40 members. During  
the following six years the member-  
ship has aggregated 2,067, with a  
present membership of 275, 450 at-  
tendees. The association has held the  
night school. The aggregate attendance up-  
on men's bible classes is 3,000, and  
upon Gospel meetings 25,537; 75 po-  
sitions secured; upwards of 150 con-  
versations and receipts for all purposes  
\$9,450.25.

### "Not Yet Believers."

"Not yet believers" is the courteous  
term always used for the heathen by  
some of the missionaries in Japan. As  
Dr. Partridge, the bishop of Kyoto,  
says: "It is much superior, even to  
the term 'unbelievers' or 'non-bel-  
lievers,' because it does not accuse  
them of any opposition to the faith,  
but rather implies an interest in it  
which a further study will surely  
deepen. St. Paul's 'Gentlemen of  
Athena' states a principle always to  
be remembered."

Served as coffee, the new coffee sub-  
stitute known to grocers everywhere  
as Dr. Shoop's Health Coffee, will trick  
even a coffee expert. Not a grain of  
real coffee in it either. Pure health-  
ful toasted grains, malt, nuts, etc.,  
have been so cleverly blended as to  
give a wonderfully satisfying coffee  
taste and flavor. And it is "made in  
a minute," too! No tedious 20 to 30  
minutes boiling. Test it and see. Dr.  
Shoop created Health Coffee that the  
people might have a genuine coffee  
substitute, and one that would be  
thoroughly satisfying in every possible  
respect. Sold by Gill & Simpson.

### Corroborative Evidence.

She—I understand real has gone up.  
He—I guess that's right; I see the  
restaurants have raised the price of  
chicken salad.—Yonkers Statesman.

### Hot Time at Home.

Yeast—Does your wife toast your  
slippers when you come home at night?  
Crimsonchek—No; she waits and  
roasts me.—Yonkers Statesman.

### A Chance to Fight.

Hewitt—Marriage is a lottery—  
gamable—a chance.  
Jewett—Yes; a fighting chance.—  
Judge.

The wholesome, harmless green  
leaves and tender stems of a lung he-  
ling mountainous shrub, give to Dr.  
Shoop's Cough Remedy its curative  
properties. Tickling or dry bronchial  
coughs quickly and safely yield to this  
highly effective Cough medicine. Dr.  
Shoop assures mothers that they can  
with safety give it to even very young  
babies. No opium, no chloroform—  
absolutely nothing harsh or harmful.  
It calms the distressing cough, and  
heals the sensitive membranes. Ac-  
cept no other. Demand Dr. Shoop's.  
Sold by R. E. McRoberts.

### Byword Medical Aid.

G. D. Weathers, Avon, Ky., says "My  
hogs were so badly diseased with  
cholera I did not think medical aid  
could possibly save them. I gave  
them Hourston Hog Cholera Remedy  
and it cured them without a single  
loss." Sold by J. R. Mount & Co., Lan-

## Indigestion

Stomach trouble is but a symptom of, and

in itself a true disease. We think of dyspepsia,

heartburn, and indigestion as real diseases, yet

they are symptoms only of a certain specific

nerve sickness—nothing else.

It was this fact that first correctly led Dr. Shoop

to the creation of that now very popular stomach

remedy—Dr. Shoop's Restorative. Using direct

to the stomach nerves, alone brought that success

and favor to Dr. Shoop and his Restorative. With-

out that original and highly vital principle, no

cure lasting accomplishments were ever made had.

For stomach disease, bloating, biliousness, bad

breath and yellow complexion, try Dr. Shoop's

Restorative—Tablets or Liquid—and see for your-

abandon work entirely. I had three of

entirely cured.
